WHY UAB MAUDIS IS DIFFERENT?

COMMUNICATION

We are proud of our professional sales and customer support team. Your phone calls and emails will be answered immediately and with great knowledge about the product.

WARRANTY

We provide a 24 month warranty with repair service in your country, at your customer's place. If you work with us, you can be sure all warranty issues are solved without wasting your time and resources. We limit your risk, so you can sell with lower margins and more competitive prices.

QUALITY

As we offer repairs all over Europe, every issue means a trip to fix it. We want to avoid that, so quality is a top priority. We investigate every issue, learn from mistakes and constantly improve. Our products are made with great focus on quality and simple but reliable design.

RELIABLE SUPPLY

We keep a lot of material in stock to avoid shortages and delayed deliveries. We have fast manufacturing and delivery terms even in peak season.

DELIVERY

Hot tubs and saunas are quite a special product to deliver. We offer proper packing and best delivery rates.

COMPETITIVE PRICES

All of the above is meaningless if prices don't beat competitors. Making thousands of hot tubs and saunas we can use a scale to our advantage. We can offer the best prices in the market without compromising on quality.
